

KMB & BCSEM ANNOUNCE
“CELEBRATE SPRING!”
A KICKOFF TO ‘MICHIGAN CLEAN-UP DAYS’

APRIL 10, 2019
10 AM – 3 PM

THE GAZEBO

31104 MOUND RD, WARREN, MI 48092

Once again, Keep Michigan Beautiful and the Beautification Council of Southeastern Michigan are co-hosting our respective Spring Meetings. Our joint "Celebrate Spring!" program will focus on two major municipal garden projects. This year's program will feature speakers from Macomb County Public Works and the Oudolf Garden Detroit.

The Macomb Co. project encompasses the treatment of water flows from the Sterling Relief Drain using constructed wetlands and the planting of native prairie habitat and trees. It is a \$1.8 million project that uses green solutions for urban water issues.

The all-volunteer Oudolf Garden Detroit committee has raised \$4 million to develop a fabulous municipal garden for Belle Isle designed by Piet Oudolf of the Netherlands. He is the premier garden designer for public landscapes today and has brought international acclaim to the High Line Garden in New York City and the Lurie Garden in Chicago. This project will be planted later this year on a site near the Carillon Tower on Belle Isle.

Our ever-popular raffle will be held again and will feature the donation of an outdoor bench made of recycled plastic from one of our corporate members, Polly Products.

There will be an afterglow following the meeting at the Kuhnenn Brewery nearby at 5919 Chicago Rd., Warren, MI.
